

Hill Country Software and Support, Inc.

2008 User's Conference

November 19 - 21, 2008

Kerrville, Texas - Inn of the Hills Resort & Conference Center

It is that time of the year again when we send out the initial information of our annual User's Conference, which will once again be held in Kerrville at the Inn of the Hills Resort & Conference Center. You will need to call the hotel directly and make your reservations. When you do so, you will need to identify yourself as being part of our conference. The room rates are \$81 for either single or double room, \$91 for triple rate, and \$101 for quad. rate. The number to call for reservations is 1-800-292-5690. Reservations should be made as soon as possible. The cut-off date for the special room rates is October 19. If you would like more information about the resort and local attractions, go to www.innofthehills.com. Please remember that there is no registration fee to be paid to Hill Country Software, you are only responsible for your travel and hotel expenses. I know that some of you live close enough to Kerrville so that you won't need to stay at the hotel. Should this be the case, please make sure that you still fill out our registration form so that we know that you are coming.

The main day of the conference will be Thursday, November 20, 2008. Our staff will be arriving at the hotel on Wednesday, the nineteenth, and will be available for consultation that afternoon. Departure from the conference is on Friday. If any participants or spouses enjoy golf, we will be playing on Friday morning. Let us know soon if you would like to join us that morning. The following is a tentative conference schedule summary:
